

Julia Stanley & Linda Taylor-Hall - General Manager Report (2012-13)

Since our last AGM, we have seen the continuation of our concert season, the launch of our third season, and the maintenance of some of our longest held traditions.

Our 2012/2013 concert series was another success. Throughout the season we saw good attendance from by our friends and families as well as many members of the community at large. This tradition continues with the launch of the 2013/2014 season. Three concerts in, the NCB continues to deliver great performances! Ticket sales, however, are not on pace with what they were for our inaugural season – your support in selling tickets (in particularly in advance of the concert) is greatly appreciated.

We continued our performances in Andrew Haydon Park, we made our annual pilgrimage to Lake George, and we played “Great Themes from Great Italian Movies.” All three of these performances are planned for this year.

We have only been doing one or two concerts at retirement residences each year but it would be helpful if we could find a few more to increase our audiences.

Many thanks must go out to everyone who has helped schedule concerts; promote concerts; move and setup equipment; bake, sell, wrap and eat baked good; or contribute to our concert success in any way this year. Many hands make light work (and awesome cookies!).
