

Warren McGovern - Librarian's Report (2013-14)

It's been a great year for new repertoire. Some very significant and memorable additions to the library include **801 Beaumont Hamel**, and yet to be performed **Transendent Journey**, & **Ghost Train**. David Oulton very generously purchased and donated some much needed titles that has extended the variety of Christmas Music. Those titles include. **Bells of Christmas; Let it Snow, Let it Snow, Let it Snow; Minor Alterations: Christmas Through the Looking Glass; Minor Alterations 2: Carols from the Dark Side, Most Wonderful Time of the Year, Overture to Miracle on 34th Street, Secret Agent Santa, Silent Night in Gotham and Symphonic Highlights from Frozen.**

The outlook to acquire new material is very encouraging due to our current storage capacity which is holding out very well. A new comprehensive list of our library currently being created will be available soon.
