

Chris Thiessen - Music Committee Chair's Report (2013-14)

Our "plan the year" meeting took place April 28th, 2014. We brainstormed ideas based on our feedback and the feedback given to us from the band members. Our best ideas came down to our list this year (Music by the Numbers, Our Christmas show, Transcendent Journeys, and Our Broadway Spectacular). From that we typically suggest 5-10 pieces that would work with the theme. We also discuss pieces that are out of our library that would work well too, giving us the time to use the budget and buy it, or find it within another band's library.

We also keep track of our runner up ideas as they typically work for next year's plans. Some of our runner ups this year were:

- Decomposing Composers
- Composers who stole
- Romeo and Juliet themed concert
- A full on Swing Dance
- Asian themed concert in may (may is Asian Heritage Month)
- Dancing Through life

Shortly we will be having our annual meeting so we can market them during the summer.

Chris
