

## **Pam MacCaul – Membership Report (2015-16)**

The membership of the NCB has increased significantly over the last year. We are up to 73 regular members and 15 occasional members (the folks who come out to play in the summer and when they are able through the winter). Word must have gone around about how much fun we have with this band!

Thank you to one and all for sharing your talent and effort. It wouldn't be the same without you!
