

## **Linda Taylor-Hall - General Manager's Report (2016-17)**

Since our last AGM, we have seen the continuation of the NCB concert series (7<sup>th</sup> edition). We decided to have a three concert series instead of four, in order to maximize rehearsal time before the spring concert. Themes chosen for the concerts included, "Movie Matinees", "Simply Christmas" and "A Lot of Hot Air".

Once again, we successfully completed our summer series at Andrew Haydon Park. Unfortunately, our performance in the SoundWaves Riverfront Series was cancelled due to inclement weather. Our Christmas performance at the Court at Barrhaven was well received.

Some regular and summer band members made their annual pilgrimage to the band festival on the beautiful shores of Lake George.

Once again, NCB regular and summer band members strive for musical excellence of performance in the community.
