

Jan Huus – General Manager’s Report (2020-2021)

The General Manager is mainly responsible for coordinating with external groups to plan and schedule concerts. Due to the pandemic, the following concerts were cancelled:

- The last concert of the 2019/2020 series, scheduled for April 5th at City View United Church. Our \$100 rental fee was credited to our account.
- The 2020 summer series at Andrew Haydon Park. We also have a credit on our account for those concerts.

We have booked Andrew Haydon Park again for this summer, but it is unlikely we will be playing there. We can cancel individual bookings with 30 days notice, so we thought we should book the park just in case. Each evening costs about \$30, and we currently have the following Wednesday evenings reserved for 2021: June 9th, June 23rd, July 7th, July 28th and August 11th (July 21st was unavailable).
